This is a special offer for early autumn delivery, including Native Ferns, Lilies, Trilliums, Cypripediums, Dicentra, Sanguinaria, Shortia, Ginseng, Golden Seal, Stenanthium, and many other specialties. Early orders receive first attention.

At these prices, not less than 500 at 1,000 rate, or 25 at 100 rate. **ALL GUARANTEED FIRST-CLASS STOCK.**

**TERMS AND CONDITIONS OF SALE**

- Prices quoted are net F. O. B. shipping point.
- Packing and grading held to highest standard.
- Certificate of Inspection attached to all shipments.
- Remittance or satisfactory reference required of unknown parties.
- Discount of 5 per cent allowed on cash orders.
- All bills due and payable 30 days from date of invoice; 2 per cent, 10 days.
- Shipping instructions should always be given fully.
- Not responsible for damages after receiving signed bill of lading.
- All claims for damages in transit must be handled by consignee.
- All claims for errors must be reported on receipt of goods.

Special price allowed on large orders. List of requirements solicited and quotations will be furnished promptly.

HARDY NATIVE VINES AND CLIMBERS

**Ampelopsis Engelmanni.** Scarlet Virginia Creeper. Collected plants............................ $1.00 $3.50 $20.00

**Celastrus orbiculatus punctatus.** Bittersweet. 1 to 2 ft ........................................... 1.50 12.50

**Clematis virginiana.** Virgin’s Bower. Strong plants .................................................. 1.00 8.50 65.00

**Dioscorea villosa.** Wild Yam. Strong plants ............................................................... 1.50 10.00

**Humulus lupulus.** Hop Vine. Strong plants ................................................................. 1.50 10.00

**Lonicera japonica Halliana.** Hall’s Honeysuckle. Strong plants ............................. 1.00 7.50 65.00

Light for lining out ................................................. 75 4.50 35.00

HARDY CREEPERS AND GROUND-COVERING PLANTS

**Epigea repens.** Trailing Arbutus. Selected clumps ...................................................... $1.50 $10.00 $80.00

**Galax aphylla.** Galax; Coltsfoot. One of our most beautiful evergreen ground-covers, with spike-like flowers of creamy white and broad heart-shaped leaves of brilliant green and bronze, of superior lasting qualities. Recommended for planting among broad-leaved evergreens and in cool and shady locations. Selected clumps ................................................. 1.00 7.50 60.00

**Gaultheria procumbens.** Wintergreen. Selected clumps ............................................. 1.00 7.50 60.00

**Houstonia serpyllifolia.** Bluets. Clumps ................................................................. 1.00 7.50 60.00

**Mitchella repens.** Partridge Vine. Clumps ............................................................... 1.50 10.00 80.00

**Phlox reptans.** Trailing Phlox. Clumps ........................................................................ 1.00 6.00 50.00

**Rubus canadensis.** Dewberry. 1½ to 3 ft ............................................................... 1.00 8.00 65.00

**Rubus hispidus.** Running Blackberry. 1 to 2 ft ......................................................... 1.00 7.00 60.00

**Shortia galacifolia.** Shortia. One of our most beautiful ground-cover, shade-loving evergreens. Light, established plants ......................................................... 1.00 7.00 60.00

**Vinca minor.** Blue Perwinkle. Strong, selected plants ............................................... 1.00 8.00 65.00

HARDY NATIVE FERNS

For shady situations, no class of plants can equal Ferns, which are very easily grown in ordinary soils and will thrive where it is often impossible to make flowering plants succeed. I handle large quantities annually, and highly recommend the following:

**Adiantum pedatum.** Maidenhair Fern. Deciduous. One of the most distinct and beautiful Ferns. Strong selected plants .................................................................................. $1.00 $7.50 $60.00

**Asplenium scolopendrium.** Lady Fern. Large; deciduous; very showy. Strong plants .................................................. 2.00 15.00

**Asplenium angustifolium.** Narrow-leaved Spleenwort. Strong plants .................................................. 1.75 15.00

**Botrychium lunariae.** Moonwort. Deciduous. Strong plants ........................................ 1.50 10.00

**Virginia Grape Fern. Deciduous. Selected plants .................................................. 1.50 10.00
Adiantum pedatum (See page 2)
